La Grande Famille de Procida & Ischia

Preserving and Understanding
our Origins

Trace your Family Origins
In Procida & Ischia

In the 19th century, millions of Italians left their native country and emigrated throughout the world in search of a new life. A large number of them originated from the region of Naples. Fishermen, tradesman or farmers, they populated the French North Africa and the United States, others went to France, Argentina or Australia. Today their descendants are Italian, French, American, Argentinean, etc...
