

LA GRANDE FAMILLE DE PROCIDA & ISCHIA Newsletter #84 - January 2019

**** 2019 ****

In my name and on behalf of the Administration Council (Christiane, Henri, Jean-Pierre, Michèle), accept our best wishes for the new year 2019!

Sant'Angelo d'Ischia - July 2018

We are already starting this New Year with so many projects and ideas in mind, New ones arrived early January, unexpectedly!

The digitalization in **VENTOTENE** is scheduled in March, our **General Meeting on May 7 in ISCHIA**, the procession of **Saint-Michael in MENTON** will be in September! This last opportunity follows the letter received by the Association from the Ministry of Culture, informing us of the registration by UNESCO of the procession of Saint-Michael of Mers-el-Kébir in the **Immaterial Cultural Heritage** in France. Henri and I had been interviewed in 2010 regarding this.

I wish we will be able to meet at these various events to share together the results, the joy, the proud and the hopes of success for the future.

For now, take care.

Pascal SCOTTO DI VETTIMO

Death of Jeanne LUBRANO DI SCAMPAMORTE - BROCHARD

As you could read in our message board, Jeanne went on December 5, 2018 after several years of fighting the disease.

Jeanne has brought us a lot for more than 15 years, whether for the association through her work or for us with her kindness and affection. Always present at events and without weakening, she participated in exchanges, projects and memories. Never have I seen her show the least fear, always courageous and making the most of each moment of life.

The Association, through René Barone, will soon be laying a plaque at Saint-Pierre Cemetery in Marseille.

Join me in thinking of Jeanne and Joel. Thank you.
