

**Travelling to Marseille and Menton in September,  
followed by Procida and Ischia in October!**

**MARSEILLE – 28 September**

On a beautiful sunny weekend, I had the pleasure of a walk in Marseille on the Old Port, to meet about fifty of you at the UNM restaurant on the occasion of our autumn meetings!

Meeting in Marseille on 28 September 2019

This was a new opportunity for me to share with you the latest updates of our projects, new ideas and to gather your opinions and suggestions, which are for me necessary encouragement. You can find on the web site the slides presented on this occasion.

**MENTON – 29 September**

Taking advantage of my geographical proximity to Menton and thanks to the steps taken by Colette SERPAGGI in recent months with the city authorities, I went there for the procession of the Archangel Saint-Michael in order to represent La Grande Famille de Procida.

It was with emotion that I was able to discover the famous and resplendent statue of the Archangel Saint-Michael of Mers-el-Kébir, highlighted in the Basilica of Menton.

With Michel and Janine LUBRANO LAVADERA

And it was also with great emotion and a huge surprise that I was able to meet with Michel and Janine LUBRANO LAVADERA, with whom I shared so many good moments at the past General Meetings!

**PROCIDA – 14 to 17 October**

La Corricella, Procida – 14 October 2019

Our projects are progressing step by step, a lot of work ahead for the years to come. With only two days there, I was able to take a number of essential steps concerning the Migrant Wall and review a number of people attached to our history and heritage, including Elisabetta MONTALDO (L'Oro del Mare), Domenico AMBROSINO (ProcidaOggi), Riccardo SCOTTO DI MARRAZZO (Casa di Graziella) to name but a few...

**ISCHIA – 16 October**

Organized from France, I had an appointment with the head of the demographic department of the City of Ischia to present and explain our digitization project proposal. The enthusiastic woman told me that she would present this one directly to the Mayor.
